In preparing the report for the period ended June 30, 1997 we discovered that we reported our beginning cash balance incorrectly. On the original report for the period ended December 31, 1996 we reported an ending cash balance of \$35,314.49. The correct amount should be \$36,319.72. The difference is in the amount of \$1,005.23. While searching the difference, we discovered that we did not enter a few miscellaneous reimbursements into the system. Individual amounts discovered by themselves were less than \$200 each. Therefore, we did not amend the original report.

If there are any additional questions or concerns, please do not hesitate to contact myself, or my assistant treasurer, Jeff Shore.

Sincerely,

Gordon A. Elliott
